The screenshot displays the App Builder 2016.43 application window. The main workspace shows a calculator app design with a display showing '0', a 'HistoryTextarea', and various buttons including 'C', 'Clear', and a numeric keypad. A yellow tooltip box contains the text: "This app sample show us a more or less simple calculator made with App Builder. The sample show us various aspect of an app project, like the usage of app functions, different buttons and button kinds, how to use the Math action, etc. etc." The interface includes a menu bar (File, View, App, Run, Tools, Help), a toolbar, and several panels: 'Tools' (Buttons, Inputs, Actions), 'Views', 'Controls', 'Preview', and 'Calculator properties'. The 'Calculator properties' panel is expanded to show the 'General' tab with fields for Author, Behaviour, Information, and Visual.
